SEALED TENDERS, marked "Tender for Project 2702—Construction: Nass River Bridge to DL 3411, Kitwanga—Meziadin Lake Highway," will be received by the Department of Highways and Public Works at the Parliament Buildings,

Victoria, B.C., up to 2 p.m. on Wednesday the 29th day of September 1976, and opened in public at that time and date. Tenders must be delivered only to Room 237, Douglas Building, Victoria, which is open from 8 a.m. to 4 p.m., Monday to Friday, except holidays.

Plans, specifications, and conditions of tender may be obtained from the Department of Highways and Public Works, 3876 Norland Avenue, Burnaby, B.C. V5G 3T3 (telephone 294-4711), or from the undersigned for the sum of \$10 (cheque or money order made payable to the Minister of Finance), which is not refundable.

Construction of this contract shall conform to the requirements of the applicable sections of the Department's "General Specifications for Highway Construction." If the bidder does not already have a copy of these specifications, one may be obtained from the Department of Highways and Public Works, 3876 Norland Avenue, Burnaby, B.C. V5G 3T3, or from the undersigned for the sum of \$10 (cheque or money order made payable to the Minister of Finance), which is not refundable. All copies purchased are registered and amendments are forwarded when issued.

Each tender must be accompanied by a bid bond or a certified cheque in accordance with clause (a) or clause (b) below:

(a) Where the total tender price exceeds \$100,000 a surety bid bond in an amount equal to 10 per cent of the tender price must accompany each tender. A performance bond and a labour and material payment bond, each in the amount of 50 per cent of the tendered sum, in a form acceptable to the Minister of Finance, must then be provided by the successful bidder upon receipt of notice of acceptance of tender. The surety bid bond shall be forfeited if the tenderer declines to enter into a contract if called upon to do so.

(b) Where the total tender price is less than \$100,000 a surety bid bond or a certified cheque in an amount equal to 10 per cent of the tender price must accompany each tender. A performance bond and a labour and material payment bond, each in the amount of 50 per cent of the tendered sum, in a form acceptable to the Minister of Finance, must then be provided by the successful bidder upon receipt of notice of acceptance of tender. If a bid bond is supplied this bond shall be forfeited if the tenderer declines to enter into a contract if called upon to do so. In the event that the successful bidder supports his tender with a certified cheque, but

fails to produce the required performance bond and labour and material payment bond within a period of 14 days from the date of issuance of notice that his tender is accepted, the Minister of Highways and Public Works shall have the right to forfeit the tender deposit in its full amount or to the extent of the difference in cost between the bidder's tender and the accepted tender, whichever is the lesser.

Tenders must be made out on the forms supplied and enclosed in the envelope furnished.

The tender submitted is irrevocable for 60 days and may not be altered, amended, or withdrawn for any cause without the written permission of the Minister.

Tenderers are advised that all bidders will be required to satisfy the Minister of Highways and Public Works, in writing, that they have the necessary qualifications to successfully perform the work. It is preferred that tenderers submit with their tenders a list stating the type, capacity, and present location (so that inspection can be made if necessary) of the equipment in their possession or at their disposal which is immediately available for the carrying-out of the work within the time limit specified without in any way curtailing or delaying any Departmental project that may be under contract at this date.

No tender will be accepted or considered which contains an escalator clause or any other qualifying conditions, and the lowest or any tender will not necessarily be accepted.

And whereas to facilitate the installation of works the Grantor has agreed to permit the construction by the Grantee of the aforementioned works on the said lands, to grant for that purpose the right-of-way hereinafter mentioned:

NOW THIS INDENTURE WITNESSETH that, in consideration of the sum of one dollar (\$1), now paid by the Grantee to the Grantor (the receipt whereof is hereby acknowledged), and for other valuable consideration, the Grantor, for himself, his heirs, executors, administrators, and assigns DOTH GRANT unto the Grantee a right-of-way and the full, free, and unrestricted right and liberty to construct and maintain the aforementioned works in, over, and upon all and singular that certain parcel or tract of land and premises situate, lying, and being in the Municipality of Surrey in the Province of British Columbia and more particularly known and described as:

And for the purposes aforesaid to enter upon and have free and uninterrupted access at all times to the said right-of-way, with or without workmen, vehicles, and equipment:

And to enter upon and have free and uninterrupted access for the purpose of repairing, cleaning, and otherwise servicing the aforementioned works, placed by the Grantee upon the said lands:

And it is mutually understood and agreed by and between the parties hereto that this Indenture shall be construed as a covenant running with the land:

TO HAVE AND TO HOLD unto the Grantee, its successors and assigns forever.

The Grantor hereby agrees that, for the purposes of installing the works initially, the Grantee may enter upon an additional 10 feet of the Grantor's property adjacent to the right-of-way.

THE GRANTOR HEREBY COVENANTS and agrees with the Grantee that the Grantor will not erect, place, or maintain any building or structure on any portion of the right-of-way:

And that the Grantor will not do or knowingly permit to be done any act or thing which will interfere with or injure the said works, and in particular will not carry out blasting on or adjacent to the right-of-way without the consent in writing of the Grantee, provided that such consent shall not be unreasonably withheld:

And that the Grantor will not diminish the soil cover over any pipe installed in the right-of-way without the consent in writing of the Grantee, provided that such consent shall not be unreasonably withheld:

And the Grantor covenants and agrees with the Grantee that any and all chattels and fixtures installed by the Grantee on the said right-of-way shall be and shall remain chattels, any rule at law to the contrary notwithstanding, and shall belong solely and exclusively to the Grantee.

THE GRANTEE HEREBY COVENANTS and agrees with the Grantor that the Grantee

(a) will not bury debris or rubbish of any kind in excavations or backfill and will remove shoring and like temporary structures as backfilling proceeds;

(b) will thoroughly clean the site, raking up all rubbish and construction debris and leave the site in a neat and clean condition;

(c) will, as soon as weather and soil conditions permit, and in so far as it is practicable so to do, bury, maintain, repair, and (or) replace and remove all underground works so as not to interfere unduly with the drainage of the land;

(d) will, as far as reasonably necessary, carry out the construction, maintenance, repair, and (or) replacement and renewal of the said works in a proper and workmanlike manner so as to do as little injury as possible;

(e) will repair any damage to the right-of-way occasioned by its use of the right-of-way.

It is mutually understood, agreed, and declared by and between the parties hereto that the covenants herein contained shall be covenants running with the land and that none of the covenants herein contained shall be personal or binding upon the parties hereto, save and except during the Grantor's seisin or ownership of any interest in the right-of-way and with respect only to that portion of the right-of-way of which the Grantor shall be seised or which he shall have an interest, but that the land shall, nevertheless, be and remain at all times charged therewith:

And that, save as aforesaid, nothing in these presents shall be interpreted so as to restrict or prevent the Grantor from using the right-of-way in any manner which does not interfere with the security or efficient functioning of or unobstructed access to the said works.
